## SAYS STEEL TRUST TRADE DEVELOPER

PRUDENT FARNELL OF CORPO-  
RATION TESTIFIED IN THE  
DISSOLUTION CASE.

## ENORMOUS BUSINESS IS DONE

\$31,000,000 in 1904 and \$62,000,000 in  
1912—Huge Agents in the  
Philippines.

New York, May 13.—The United States steel corporation was pictured today by James A. Farnell, its president, as a combination organization, not to suppress competitors, but to develop the sale of steel in foreign lands, a development which could not have been accomplished, he said, if the corporation had not taken the various companies competing for foreign business under its wing.

He was testifying as the first witness for the defense in the government suit to dissolve the corporation as a combination in restraint of trade.

Mr. Farnell assured his hearers by his intimate knowledge of affairs in all parts of the world, and held them interested as he narrated the story of his rise from a common laborer in a steel mill at the age of 15, to be the head of the greatest industrial corporation in the world at the age of 45.

The witness traced the growth of the steel corporation's export business from \$62,000 tons the first year it was organized, to \$2,340,000 tons in 1911, and from \$21,000,000 in value in 1904, to \$62,000,000 in 1912, and said agents of the corporation to push its foreign trade had been "convinced" and "induced."

The result had been that 20 per cent of the country's foreign trade in steel was done by the corporation, he said.

Henry Strong Elbert.

"We have made the strongest effort possible to increase our foreign trade as compared with our domestic trade," Mr. Farnell declared.

"Our competitors have only been interested with foreign business when domestic trade has been insufficient to keep their capacity employed. We have kept after the foreign trade necessarily. If we had not, it would have been impossible to develop it."

Conculding the testimony of Wm. H. Orr, Mr. Farnell, president of the corporation, that there had been no combination between the corporation and foreign manufacturers of steel and a division of history, Mr. Farnell said:

"I have never operated under any arrangement with foreign manufacturers other than to furnish or lease them, being never allowed to say anything to them or to have any connection with them, or to stay out of their business provided they would stay out of ours."

Prince Ann Case.

He stated also that the corporation "made a practice" of sending its products abroad abroad in this way.

"In fact, some of our commodities are sold foreign," he said. Under the corporation was organized, the witness related, seven steel companies were combining for foreign business. On being taken over, their foreign offices were combined under one office and their operations systematized. In 1901 the United States steel products company was organized to take charge of the foreign trade and post it.

"Executive studies were made 'of foreign expansion,' of foreign markets, 'that business could be done according to the means and resources of each particular market.'

The processes of manufacture at the mills of the corporation were believed to meet these requirements.

The corporation established agencies from Ireland to the Fiji Islands, Mr. Farnell said, and now controls the export business of the industry and greatly increased.

In the case of the Carnegie Steel Company, he was 24 per cent of the stock.

A majority of students enabled the corporation to meet all demands from foreign to steel buyers. No single company can buy one or two products, but each must have systematized itself so as to have an extensive sales force and field of selling wire in foreign lands.

Steel Money Organization.

Mr. Farnell had been brought or called to many such to ports abroad.

## ILLS AT WOMAN, IS STABBED

Young New Yorker Attacked by an  
Auto Driver, Who Stabbed Her  
and Fled.

New York, May 13.—The automobile of the vehicle for the escape of a woman, who was stabbed and fled, was found in Brooklyn, when some men, including two women, looked from a window and saw a man and stabbed the woman in the neck. Nowhere else was the woman taken to a hospital.

It is believed he was an insurance agent. As he approached another, he shot a bullet through the car, hitting the woman in the head.

When she got her car off at the station, she was stabbed and fled.

She was taken to a hospital.

Continued on Page 2.

## Girl Killed, Another Bodily Hurt As Auto Gets On a Rampage

New York, May 13.—Streets around Suburb No. 16 in Brooklyn, were filled with children just out for luncheon, when an automobile truck became uncontrollable and charged a group of girls.

Mark Coburn, aged ten, was killed, and Marcelline Miller, four, was bodily hurt.

Led by a boy grown-ups, the children attacked O. L. Mount, the chauffeur, and were threatening to lynch him when police reserves rescued him. As the crowd appeared to be purely an accident, Mount was released by the police.

Plot to Steal Ammunition From U. S. Army at Nogales, Ariz., Is Nipped.

Nogales, Ariz., May 12.—More than 500 dead are lying on the battlefield above Guaymas. The soldiers fell during three days' fighting last week.

Col. Juan Cabral, who arrived today from the front, reported he had estimated the killed to exceed 500.

A trainload of oil and fire wood was run over south with which to cremate the bodies.

The official report of General Alvaro Obregon, the insurgent commander, stated the federal killed alone numbered 500, with 300 Huerta soldiers.

Both sides have been executing all condemned officers captured.

Among the dead found on the field about Guaymas were identified the bodies of Lieutenant Colonel Reyes and Major Conde of the federales, and Major Conde of the state troops.

Cut Off From Retreat.

There was little fighting Sunday or early today. Driven to the last station north of the gulf port, the remnants of the federal army of some 2,500 stood itself out off from further retreat.

Believing the lack of food and water soon would force a surrender, the troops contested themselves with holding the federal in their position, occasionally harassing the extreme lines when any attempt was made to move toward Guaymas.

The 500 federales left in Guaymas did not move from the town.

A. C. Villaseca, the prefect of Nogales, was arrested here today by military authorities. He is charged with the murder of the Arizona town and others with implication in a plot to steal ammunition from the United States troops of the fifth cavalry on border patrol here.

Town Marshal Arrested.

Cal Wright, the town marshal, and John Wilson, a bartender, were released on bail of \$100 each.

Two United States soldiers, also arrested, were released without bail, it being said they acted as informants for the government.

It is charged the soldiers were to have been paid \$2,000 each for leading the men into the store tent, and that when arrested, Wright and Wilson had their arms filled with ammunition.

It is also charged that it was planned to get an additional 40,000 rounds from the railroad warehouse, where it was held by customs authorities.

Americans Are Not Safe.

London, May 12.—Owing to action of the main body of rebels under Blanco, to arrive, an expected attack on British forces was delayed.

The men were two miles from the city this evening, evidently with intent to attack Blanco. He is reported about 25 miles west of Matamoros.

Major Baimes, commander of the Matamoros garrison, tonight said he would not be responsible for the safety of Americans in Matamoros. He intimated an attack on the city may occur at any time during the night, but more probably at sunrise.

Wilson's Bill Passes.

Trouton, N. J., May 12.—The assembly this afternoon by a vote of 23 to 16, passed the Began jury reform bill, after it had been amended by attaching a state-wide referendum. The measure without the referendum was the so-called chancellor-sheriff bill which President Wilson agreed to as a compromise when he was in New Jersey a few days ago.

London on Strike.

Austin, May 13.—The attorney general's department today held that road and school bonds are not exempt from taxation; that towns having a population of less than 3,000 persons are not authorized to levy taxes upon road districts and may do so by law to tax the transportation of railroads; that the commissioners' courts might direct that interest accruing from road bonds be placed to the credit of the road fund or any other fund they might desire.

Bell Tolls for Child's Death.

Hugo, Okla., May 13.—Mrs. Jack Basye, 45 years old, was arrested at Hugo, Sunday, and she will be held pending an investigation of the death of her 1-year-old stepson. It is alleged that Mrs. Basye administered medicine to the child before he started for school Friday morning. He was taken ill during the day and died in the school room.

Railway Conductors Meet.

Detroit, May 12.—The biennial convention of the Order of Railway Conductors of America opened here this afternoon with an executive session at which, it is understood, the effort of trainmen on forty-eight eastern railroads to obtain a general pay increase was one of the matters discussed.

Bell Tolls Strikes Out.

Lowiston, Me., May 12.—John J. O'Brien, for many years second baseman in the National, Eastern and New England Leagues, died tonight at the age of 48 years. While manager of the Lewiston club, he was credited with bringing out Jimmy Collins, the greatest third baseman of the Boston National and American League clubs.

Flagler's Condition Unchanged.

West Palm Beach, Fla., May 12.—Henry M. Flagler, the Southern railroad and hotel magnate, who is critically ill at his home here, was reported to be resting well today. Physicians stated, however, that there was no material change in his condition.

Illicit Booze Is Sold in Milk Cans

New York, May 12.—Through the arrest today of Morris Katz, a milk dealer, by the Internal Revenue Service, it was discovered that he was

## PEACE DELEGATES CALL UPON WILSON

### JOHNSON CASE RESTS

FEDERAL COUNSEL ENDS ITS REPORTS AND CAUSES MUCH SURPRISE.

**SEC. BRYAN GREET THEM AND MAKES A FELICITOUS SPEECH.**

### IS A LESSON TO ALL NATIONS

**DEFENSE RELATIONS BETWEEN THE UNITED STATES AND GREAT BRITAIN SHOULD BE MADE PATTERN.**

**WASHINGTON, May 12.—The international peace delegates who are perfecting plans for the celebration of the 100th anniversary of the signing of the treaty of Ghent, and of peace with English speaking peoples in December next year, came to Washington today and called upon President Wilson, Secretary Bryan and other government officials.**

**Belle Schriener, for whose transportation Johnson is accused of having paid, was the chief witness today.**

**The government rested after Judge Carpenter sustained the objection of the defense to any testimony of events prior to July 1, 1910, the date on which the Mann law became effective.**

**Two of the eleven counts against Johnson were dismissed by the government.**

**Cross examination of Belle Schriener was resumed today.**

**Defense counsel had much difficulty in trying to get the witness to fix dates. She was certain about only one, that one being October 15, 1910, when the plaintiff is alleged to have brought her from Pittsburgh to Chicago for immoral purposes.**

**MUNICIPALITY OF GHENT AND ANDREW CARNEGIE.**

**WILL HAVE BREAKFAST.**

**TOMORROW THE DELEGATES WILL BE THE BREAKFAST GUESTS OF JOHN A. STEWART, CHAIRMAN OF THE EXECUTIVE COMMITTEE, AT THE ARMY AND NAVY CLUB. THOSE PRESENT WILL INCLUDE SENATORS FROM STATES ALONG THE CANADIAN BORDER AND MEMBERS OF THE SENATE AND HOUSE COMMITTEES ON FOREIGN AFFAIRS.**

**AT NOON THE PEACE DELEGATES WILL DEPART FOR PHILADELPHIA AND A TOUR THROUGH THE COUNTRY AS FAR WEST AS CHICAGO.**

**THE FOREIGN DELEGATES INCLUDE: LORD WEARDALE, HEAD OF THE BRITISH DELEGATION, MADE A BRIEF RESPONSE IN BEHALF OF THE VISITORS.**

**WHEN THE PARTY ARRIVED AT THE CAPITOL LATER, THE HOUSE OF REPRESENTATIVES WERE ABOUT TO CONVENE, BUT THE DELEGATES WERE RECEIVED BY SPEAKER CLARK IN HIS OFFICE. HE HAD THEM ACCOMPANY HIM TO THE HOUSE GALLERY, WHERE THEY REMAINED UNTIL THE BRIEF SESSION ENDED.**

**A VISIT TO THE CONGRESSIONAL LIBRARY OCCUPIED A BRIEF SPACE BEFORE A VISIT TO VICE PRESIDENT MARSHALL WAS MADE.**

**MARSHALL MADE IMPRESSION.**

**MR. MARSHALL ADDRESSED HIS CALLERS AND APPARENTLY WHAT HE HAD TO SAY MADE A DEEP IMPRESSION UPON THE DELEGATES. THERE WERE SIGNS OF APPROVAL AND SEVERAL OF THE CALLERS MADE AUDIBLE COMMENTS, AGREEING WITH THE EXPRESSIONS OF THE VICE PRESIDENT.**

**MR. MARSHALL SAID HE WAS CONVINCED THAT PRACTICALLY ALL DIFFERENCES BETWEEN NATIONS ARE POSSIBLE OF SETTLEMENT, IF SUBMITTED TO THE ARBITRIMENT OF FAIR-MINDED MEN.**

**AGAIN LORD WEARDALE REPLIED FOR THE ASSEMBLED DELEGATES.**

**A STATEMENT OUTLINING THE PROPOSED PLAN FOR THE CELEBRATION IN ALL ENGLISH-SPEAKING COUNTRIES OF THE PEACE TREATY, WAS MADE PUBLIC TODAY BY DRAWN E. HUMPHREY, SECRETARY OF THE AMERICAN ASSOCIATION. THIS WILL BE SUBMITTED TO THE RESPECTIVE GOVERNMENTS FOR APPROVAL, WITH THE REQUEST THAT IT BE CARRIED OUT AS SOON AS POSSIBLE.**

**THE CENTRAL FEATURE OF THE PLAN IS THE ERCTION OF SUITABLE MONUMENTS IN AMERICA AND ENGLAND AND THEIR RESPECTIVE DEPENDENCIES IDENTICAL IN DESIGN AND BEARING AN IDENTICAL INSCRIPTION.**

**IT IS PROPOSED THAT THE FOUNDATION STONES BE LAID BY THE KING OF ENGLAND AND THE PRESIDENT OF THE UNITED STATES AND BY THEIR REPRESENTATIVES IN THE COLONIAL POSSESSIONS. WHILE THIS IS IN PROGRESS, IT IS PROPOSED THAT ALL WORK IN BOTH COUNTRIES cease for FIVE MINUTES.**

**ALL NATIONS ARE TO BE INVITED TO SEND REPRESENTATIVES TO TAKE PART IN THE CEREMONY.**

**FOR PEACEFUL SENTIMENTS.**

**AS A METHOD FOR PROMOTING PEACEFUL SENTIMENTS IN ALL CLASSES IT IS PROPOSED THAT BE ESTABLISHED IN THE UNIVERSITIES IN BOTH COUNTRIES, CHAIRS OF HISTORY WITH A PROVISION OF INTERCHANGE OF PROFESSORS.**

**THESE ALSO ARE TO BE ESTABLISHED TRAVELING AND OTHER SCHOLARSHIPS FOR THE STUDY OF HISTORY. SOME OF THESE ARE TO BE FOR JOURNALISTS, TO PERMIT THEM TO STUDY IN ALL ENGLISH-SPEAKING COUNTRIES.**

**ESTABLISHMENT OF PERMANENT FRONTIER MONUMENTS ALSO IS CONTEMPLATED AND THERE WILL BE PROVISION FOR RELIGIOUS SERVICES OF THANKSGIVING AND COMMEMORATION.**

**A REPRESENTATIVE GATHERING IN OFFICIAL LIFE AT WASHINGTON ATTENDED THE BANQUET GIVEN TONIGHT TO THE PEACE DELEGATES BY THE CARNegie ENDOWMENT FOR INTERNATIONAL PEACE.**

**THE SPEAKERS WERE SENATORS ELIJAH ROOT, PRESIDENT OF THE CARNegie ENDOWMENT; SECRETARY BRYAN, AMBASSADOR SPRING-RICE, LORD WEARDALE, SIR CHARLES ROLD OF AUSTRALIA, CHARLES A. MAGRATH, MEMBER OF THE CANADIAN PARLIAMENT; EUGENE H. OUTERBRIDGE OF NEWFOUNDLAND, C. DE BRUYNA OF THE**

## SHRINERS CAPTURE DALLAS WITH FORCE OF 12,000 AND JOY STUNTS

**DALLAS, May 11.—Marching made awaked a large portion of the Dallas population today, when at daylight the main influx patrols and bands for the thirty-ninth annual convention of the Shriners began.**

**More than 12,000 nobles had registered this evening.**

**Twenty-six special trains arrived today. A feature of the city's entertainment is the making of every one of its 104,000 population an uncharmed member of the entertainment committee, and the slogan of the convention, "Mornin', Shiner," appeared in business places throughout Dallas. This slogan drew a \$55 prize when it was selected from several hundred welcoming greetings submitted in competition about a year ago.**

**Welcoming was the main business of the opening session today.**

**Tuesday will be parade day, Wednesday business day and Thursday a 100-mile tour of the state will begin.**

**MONTGOMERY, Ala., sent a delegation of fifty Shriners to remind the imperial officers that Montgomery's request for the establishment of a temple there is the only unfinished business left over from last year's meeting in Los Angeles.**

**The Montgomery men expect to get their temple this year.**

**Mayor a Prisoner.**

**A telegram today from Charles F. O'Neal of San Diego, Cal., announced the Shriners of Los Angeles and San Diego held him a prisoner aboard their special train and warned Dallasites that as soon as they hear the song, "I Love You, California," they may know the coast "pirates" have arrived and had better chain down everything unless it is red hot.**

**In fomes, silks and plushes the Shriners overrun the business section of the city, resembling a spring military display last year.**

**As the patrols arrived throughout the morning they paraded the streets and as the sun got hot they began marching, singing and band playing in some of the business buildings—in fact, wherever there was an entrance big enough to admit their ranks in military order.**

**Memphis Brings Gavel.**

**TUESDAY, May 12.—After years of patient research the war department practically has completed the collection of the military records of the American revolution, comprising the history of every American organization and soldier engaged in that struggle. Thus far no arrangements have been made for the publication of this contribution to history, which must remain hidden in the archives of the war department, unless some of the patriotic societies can interest congress in its publication.**

**TENNESSEE KILLED; 1 MURK.**

**SHERVEPORT, La., May 12.—Ruff Motley, of Marshall, Texas, was almost instantly killed and Fred Owen of the same place probably was hurt internally when a motor car was upset five miles west of Shreveport early this morning. Owen is in a local hospital.**

**ALL NATIONS TO BE INVITED TO SEND REPRESENTATIVES TO TAKE PART IN THE CEREMONY.**

**FOR PEACEFUL SENTIMENTS.**

**AS A METHOD FOR PROMOTING PEACEFUL SENTIMENTS IN ALL CLASSES IT IS PROPOSED THAT BE ESTABLISHED IN THE UNIVERSITIES IN BOTH COUNTRIES, CHAIRS OF HISTORY WITH A PROVISION OF INTERCHANGE OF PROFESSORS.**

**THESE ALSO ARE TO BE ESTABLISHED TRAVELING AND OTHER SCHOLARSHIPS FOR THE STUDY OF HISTORY. SOME OF THESE ARE TO BE FOR JOURNALISTS, TO PERMIT THEM TO STUDY IN ALL ENGLISH-SPEAKING COUNTRIES.**

**ESTABLISHMENT OF PERMANENT FRONTIER MONUMENTS ALSO IS CONTEMPLATED AND THERE WILL BE PROVISION FOR RELIGIOUS SERVICES OF THANKSGIVING AND COMMEMORATION.**

## KATY ADOPTS NEW RULE TEACHING GOLF GAME

THE PASSENGERS MUST BE INFORMED OF CAUSES OF DELAY.

Trainmen Instructed to Tell Travelers Whereof of Wait-over—Public Approves Ruling.

After pounding home "Get the safety habit," the Missouri, Kansas and Texas is launching upon a decided innovation. Hereafter, when the delayed Katy passenger wants information concerning his enforced wait, he will not be given a "grouchy," incomplete answer by the train crew. He will not even have to ask; the conductor will walk up to him, take off his hat, bow politely and pleasantly recite all the cause of the delay.

The ruling just passed by the road requiring members of the train crew and even the station agent to announce the actual cause and probable length of a delay occasioned by a wreck, washout or whatever it may be, is meeting with the unstinted approval of the travelling public. According to the new order of things, the passengers must be told why they can not go forward. If a train is halted by a wreck ahead, a member of the crew will go through the car, announce it, and tell how long the delay will probably last. The station agent must announce the same on a bulletin at his station. The use of telegraph or telephone will also be extended to delayed passengers, who may desire to use them.

It is believed that through this much delay and loss of time and money will be saved Katy travelers.

## SHRINERS GO TO GALVESTON

Five Special Trains Manned by Nobles Will Pass Through Waco Thursday.

Next Thursday morning five special shriner trains from Dallas will be routed through Waco over the Katy to Galveston from Dallas. None will stop in the city, but will proceed through the yards at intervals of five minutes each. The feature of the run will be that the train crew from engineer to porter will be composed of Shriners.

The itinerary after leaving Waco will be: Arrive at Austin 2:30 p. m., leave Austin 11:55 p. m.; arrive San Antonio the next morning at 3 a. m., leave San Antonio 11:55 p. m.; arrive in Houston the following morning at 7:30 p. m., leave Houston 4 p. m.; arrive at Galveston 5:40 p. m. and leave Galveston the following evening at 8 o'clock for the return trip to Dallas. At each of the towns where the trains stop the nobles will be entertained by the local patrols.

Baumont	11	20	.356	

It was an overabundance of brain cells that the Navigators went up against at Katz Park yesterday, and the brain cells won out. Not only was there an unusual amount of brain matter for the locals to buck, but at intervals it looked suspiciously like there was a slight lack of the same commodity on the part of the Canes, which prevented a different story from that which in.

Another intangible factor, which had to do with the downfall of the Nava, in spite of the many who say "there ain't no such thing," was Luck, poor old overblown Luck; but he certainly made himself manifest at yesterday's lawn fete and deserves to share the victory with Cavender brains. With men on all bases, Waco's best hitters would walk up like good little boys in one two three order, tap easy, sacchers or tatty candy pop-ups to Tullio, scattering around the third each for Dallas; and Mr. Tullio is some carver when the game is going his way.

The visitors were always at home, however, when critical moments came a-visiting. When they needed a sacrifice they sacrificed; when they decided to work a squeeze they wound up and cut loose, and nothing seemed capable of stopping them.

It was most certainly not a lack of hitting that lost the game for Waco. The gentleman that Manager Cavender handed out to do duty as a pitcher needed a label to designate his position, for he certainly had nothing else that might in any way give an inkling of his profession. His chief ability seemed to be to get into very deep holes and the yelp for help; and lucky it was for him that eight good men and the few weapons available to extricate him from the professional messes of his own making. It seemed that he was playing a game of tag with fate, betting with himself how often he could come mighty near giving the game away and not quite. He would overload the bases, then lay it wait for some renowned Waco slugger, and see if the men behind him would prevent a catastrophe—and they always did.

Schoolmaster Ogle, who tooted for Waco, allowed the game to get from under his jurisdiction in the third, and the opponents hit four times for five runs. Outside this he did fairly well, especially in the strike-out department.

Dugay and Wohlleben shared honors in the number of hits, but Dugay being credited with one more legal time at bat, big Fred got the better on the batting average of the day.

In the first of the third, Kellerman for Dallas sent a Texas leaguer to left, Schwenk got to first on a bad throw by Reilly and both advanced on Duncan's out. Boone hit for a squeeze, which worked, scoring Kellerman and getting to first on slow fielding of the ball, which was credited a hit. Wilson walked. Marshall struck out and Tullio knocked a three-bagger, scoring Schwenk and Boone. Hill scored Tullio with a hit and Storch finished the bat-around by striking out.

In Waco's half of the same inning, Reinhard walked, Kelly flew out, Reinhard advanced to second on a wild pitch. Ogle fanned, Dugay hit, scoring Reinhard. McMahan went out, Tullio to Hill.

In the fourth Kellerman hit, Schwenk sacrificed, Duncan hit a two-bagger, scoring Kellerman. Duncan went out on a fielder's choice and Wilson was out. McMaham to Wohlleben.

Waco got three men on bases in the sixth, with none out, but failed to score, and several times had great chances, but failed to connect with the ball at the psychological time. In the ninth, with the score 7 to 3, Waco made a brave effort, scoring three. Powers was sent out to pinch hit, when Wohlleben was on third as a result of a two-base hit by himself, but the youngster created an anti-climax by laying one down at the plate, finishing the game.

Austin 1, Fort Worth 8.  
Austin, May 12.—Two players on the injured list and one refusing to play, Manager George Leidy broke into the game himself today and his sacrifice fly to right field scored the only run of the game and Austin won its 1 to 0 victory from Fort Worth in the last of the series. Taylor pitched great ball for the Senators, yielding only three scattered hits. Cain worked for the Panthers and allowed only three hits but wildness, coupled with two costly errors were responsible for the winning run. In the first inning Austin had the bases full with no outs, but were unable to score. Physicians warned Brainerd not to play. He probably has a broken wrist from an injury at Galveston.

Houston 10, Galveston 2.  
Corsicana, Tex., May 12.—Ten to three in favor of Houston tells the story of the game between Houston and Galveston here today. It was a game in which hits and errors were prominent and but for Mowry's hit over the fence would have been with a feature. Galveston put Lindsay, Roberts and Maloney in the box, while R. Allen did all the pitching honor for Houston.

Philadelphia, May 12.—The St. Louis Americans league baseball club paid just \$1000 to O'Connor, the owner, what he would have received in salary had he not been discharged as manager prior to the 1912 season; a jury in the circuit court decided tonight. The trial, which had occupied the court all day, ended to a vote with unexpected settlement. The jurors were out only thirty minutes.

O'Connor was called to the stand in rebuttal as the last witness. He denied the testimony of

## NOT A DIME BENEFIT

DO FOLK THIS SIDE OF MCGREGOR  
GET THE BOND  
ISSUE.Want Bridge at Dripping Springs to  
Widen the Norwood and Rosenthal  
Road.

That they do not receive a dime's benefit from the McGregor good roads bond issue of \$100,000, although they pay their pro rata share, because they live in this end of that district and their business brings them to Waco, or to South Bosque, not back the other way, was one of the arguments advanced by a delegation of citizens of South Bosque, who appeared before the county commissioners yesterday in an effort to secure an appropriation for a bridge at the Dripping Springs crossing of the Bosque. The delegation consisted of Forrest Clay, John Hannah, George Caufield, Bob Lyon, Dr. Brown, Charles Moore and Dr. McCormick.

Mr. Moore was spokesman for his crowd. He said:

"We need a bridge at Dripping Springs crossing very badly. No team can pull the sides of the river during wet weather, the children can't get to school, no one can get a doctor when the river is up and I have even known people to get across the river and couldn't get back home for two days."

The people voted bonds and are paying a special tax of twenty-five cents in addition to the school tax, but we don't get a dime's benefit from the McGregor bond issue, as our business takes us either to South Bosque or Waco, and not back the other way."

Mr. Moore said he had investigated the matter and understood the bridge would cost between \$2,500 and \$3,000. The commissioners said that a bridge was badly needed at that point, but told the delegation that the road and bridge fund was short at this time. The matter, however, was referred to the road superintendent for investigation of cost.

The same delegation secured from the commission an appropriation of \$100 to be used in purchasing land which will straighten the Dripping Springs crossing of the Bosque on the Dripping Springs and South Bosque road. This money was to look J. S. Haley for a strip of land which would widen and straighten the road. The acquisition of this land also will provide for a road which will prevent having to cross the Bosque three times, giving a 40-foot roadway and a straight road.

Norwood and Rosenthal Road.

In order to widen the road which runs between Norwood and Rosenthal, the commission purchased on recommendation a strip of land from D. Nehring agreeing to pay at the rate of \$20 an acre for same. The land comprises about a quarter of an acre.

The commission authorized the county judge to execute a quit claim deed to D. L. Scott in consideration of \$25 for a strip of abandoned roadway 40x200 feet. This is the old road abandoned when the commission agreed to open a road through the McLeellan farm at a previous meeting. Mr. Scott desires to close the road.

Proposed of Parkview addition to dominate the bridge across Wilson's branch, was referred to Commissioner Boyd. Half of the bridge is in the city limits and half outside, the branch being the city boundary line at that point. Parkview addition owners have constructed the bridge, which is near another bridge, and now desire to give it to the county.

In order to clear title the commission instructed the county judge to execute a quit claim deed to a piece of property lying in Eastland county, in favor of N. M. Boilinger. The property formerly belonged to McLellan county, but was sold some fourteen years ago. The deed is merely to clear title.

For Eagle Springs Road.

The remainder of an appropriation of \$2,284.54, made from the McGregor road fund for the construction of the Waco road, was yesterday given to the residents along the Eagle Springs road for use in improving that road.

way. The Waco people spent \$2250 on their road, leaving \$684.54 from their appropriation. This was turned over to the Eagle Springs people. George Caufield appeared as a representative of the citizens' committee of that district and told the commissioners his people were willing to use their own wagon and gravel the road as far as possible with the money available. Commissioner Boyd said that was a good place to use the money and the others of the commission agreed. The road runs southwest of McGregor.

**Permission to Muse Heights.**

Huaco Heights Realty company was granted permission to cross the public highway from Twenty-third and Austin street with a sewer; also to lay water mains following the White Hall road to a point intersecting the property of that company. The company proposes to run water mains from the fire hydrant on Columbus street near Twenty-ninth street and running along Columbus street to Twenty-ninth, down Twenty-ninth to Baylor and from Baylor west to a point opposite the first all in the Husco addition and to connect the sewer at the city limits between Austin and Washington near Twenty-third, running along the branch of the Waco creek to a point near Santer avenue and the alley of Thirtieth street. They will be required to execute a bond of \$1000 to leave the roads and streets in the same condition they are now and not unnecessarily to block the streets or interfere with traffic.

**School District Orders.**

The commission approved the action of the school board of the independent school district of Lorena in annexing on application adjacent territory to the school district. This is only formal action, as the school board has authority under the law to accept the petition of persons in adjacent territory desiring to be taken into the school district.

The election returns for a school tax of 10 cents on the \$100 valuation, held May 3 in common school district No. 12, Independence, was canvassed, and the tax declared carried. The vote was 7 for and no votes against.

## NO CRAFT DINNER IS TONIGHT

Will Talk of the Baltimore Trip—Several Good Speakers on the Program.

Tonight at 6:30 promptly the members of the Waco Ad club will assemble at the T. C. A. room, where they will participate in the regular monthly meeting. This meeting will be devoted in great measure to the "On to Baltimore" subject. The entire membership is enthusiastic over the national convention, which is to be held June 8, and all are overflowing with the "On to Baltimore" movement.

The American Association of Advertising clubs is made up of the greatest bunch of live wires ever organized into a body for educational, instructive and protection work.

This national body has done more to eliminate fake advertisers and clean the press from unwholesome reading matter than any other factor in the United States. Besides, they have taught the "little fellows"—the smaller advertisers—how to write and construct copy that will bring them greater financial returns on their advertising investments.

The publicity given Waco, Dallas and other cities and the good accomplished therefrom could never be weighed in dollars and cents.

There is no doubt but Waco will send her share of representatives to the Baltimore convention, which will be held June 8 to 12. At the directors' meeting last night, held in Secretary Jackson's office, fourteen names were passed on and will be recommended for membership at tonight's meeting.

Secretary Rankin at the Y. M. C. A. as heretofore will have charge of the luncheon and the usual charge of 25 cents will prevail. There will be some short happy addresses made by local men. It is expected that the meeting will not be long drawn out. Everything has been arranged for the program at tonight's meeting to move with dispatch, adjournment to take place at 7:45.

WINDROW FILES  
OFFICIAL BOND

NEW ROAD SUPERINTENDENT  
WILL BE READY FOR  
WORK JUNE 1.

## IS TO MAKE ROAD MAP FIRST

Will Collect Data of All Road Building Material in the County for Record.

R. J. Windrow, recently elected county road superintendent, yesterday filed with the county commissioners his bond in the sum of \$10,000 as provided for by law. Mr. Windrow assumes the duties of his office June 1.

The bond was signed by six individuals, Mr. Windrow making the seventh. The following were the signers: T. K. Lawrence, merchant of Bryan, Brazos county; G. M. Brandon, merchant of the same place; J. M. Gordon, planter of the same place; F. M. Gordon, president of the First National Bank of Temple, Bell county; George Haugherty, merchant of Temple; and J. C. Neagle, professor of civil engineering at A. & M. College, College Station. W. S. Higgins, county clerk of Brazos county, and P. W. Madison, county clerk of Bell county, made affidavits, which were attached to the bond, that the signers of the bond, residing in their respective counties, were financially good for that amount. The majority of the signers were also known personally by some members of the commission.

Mr. Windrow also filed with the commission list of the supplies and instruments which he will need to begin the duties of his office. The list totalled approximately \$750. The usual supplies will be purchased when needed, advertisements for bid for surveying instruments will be made. In this connection as a separate matter from this list, Commissioners Smith, Mosley and Boyd were instructed to consider the purchase of a pack and team for the surveying party.

Immediately after assuming office Mr. Windrow is to begin the work of making records, from which the roads may be planned. In a communication to the commissioners yesterday he said:

"The first duty will be to start a survey of the roads and the collection of all data relating to same. To do this it will be necessary to run the alignment of each road, obtaining all land lines and making profiles of same. In addition, I will locate present culverts and bridges, and secure notes as to the type, size, condition, areas drained of each. I expect to make a complete record of the location, kind and value of all road building material in the county, as well as condition of every section of the road.

"After this data is obtained and permanent records and maps made, you can readily see that estimates and plans can easily be made at any time in a short while for construction and improvement of roads.

"To secure these records it will take some time, and I will need a surveying party, of at least three men, to begin with."

Mr. Windrow said he would need a transitman, a rodman and a chainman. The commission considered his recommendations and expressed a willingness to follow them out.

The commissioners recognized the enormity of the work which will confront the new road superintendent and his force before the permanent records can be obtained. They also were pleased with the assurance that they were soon to have a record of materials in the country of value for road building. This matter has been discussed considerably by the commissioners at recent meetings, and it has been advocated that the county secure as many gravel beds as possible, wherever possible. In this connection as many members of the commission as can will spend an hour today at the work camp of Commissioner Smith's work gang.

"They go to look at a gravel bed and will take dinner at the camp. They will make the trip in an automobile, returning in time to begin the afternoon session.

Mr. Windrow was present at the meeting of the board yesterday, and many matters which came up were discussed until he takes office.

Al Albazar temple of Calgary, Manitoba, Canada, paraded behind a Highland band in kilts, whose members kneeled turned pink under the hot sun.

## NOT IN FORM, BUT HONEST

Technicians Were Not Allowed to Interfere in a School Tax Election.

Misunderstanding by election officers and others with reference to the proper manner of voting, often caused an invalidation of the school election on the school tax question held in common school district No. 10, Mt. Zion school. The election, held May 1, was to determine whether the special school tax of twenty cents on the \$100 valuation would be imposed. Confusion as to just which line of the ballot they were entitled to vote according to their districts, resulted in several voting booths to close in session, when the polls opened. When informed their vote was counted out from what they intended to do, voters petitioned the judges to open the ballot box and recast the ballot, and to re-count the ballot according to the wishes of each voter. The election was held.

Yesterday W. H. Danner and Mrs. Fair, two of the election officers and others interested, appeared before the county commissioners to explain the trouble. The court held that the election was voided by determining the election was not held in accordance with the law. These returns showed that 1,000 voters favored the referendum, while 2,000 voted against it. The result was a tie.

"Everyone voted like a fool," said Mr. Danner, "and that's what we wanted to do."

TO ORGANIZE A CLUB  
WOMEN'S STONE  
TO BETTER CITY

COMMITTEE IS NAMED TO HAVE  
CHARGE OF THE PRELIMINARY WORK.

to be Down-town Affairs and Wm. E. Smith Limited as to Membership, Carla Premond.

Plans which have been in process of making for some time for the organization of a Downtown Club, have progressed to the point where an organization committee has been appointed and the formation of the club is to be carried forward at once.

There are two buildings in prospect for the home of the club, and at this point there has not yet been a decision. It is proposed to have two floors of one of two buildings, and there are to be handsomely fitted up and made comfortable for the women and their friends. Visiting the city, and membership will probably be limited to 150. As Waco is a growing wholesale market and there are many out-of-town customers here every day, it is believed that the merchants will find a club of this character convenient to them for the matter of entertainment. The rooms will be fitted with a high class cafe where members can have lunch or dinner, and where it will be comfortable to spend leisure hours. The club of this character in Houston, Dallas and other cities of the state are popular and Waco people who have visited those cities have been delightedly entertained by their friends. Will C. Abel, Thomas F. Bush and James H. Riley have been most active in promoting the club and they have been much encouraged by the approval that has met their efforts.

Yesterday the following committee on organization was named: E. W. Marshall, Thomas F. Bush, James H. Riley, Will C. Abel, Anderson, Wiley, A. E. Holt, John F. Wright, J. K. Lee, Davis, W. J. Neal, O. H. Ramsey, Lee Williette, Ann Warde, Bob Newsham, H. H. Shear, Alvy Springer, E. Rotan, R. J. Tolson, D. Williams, Roy E. Lane, W. W. Cameron, Clint Padgett, G. H. Loucks, Charles E. Moore, George Robinson, Charles Hayes Quarles, Walter G. Lucy, Bruce Duncan, Harry M. White.

The organization work has been entrusted to this committee and it is the intention to call a meeting within the next few days to take up the matters that are of most importance. It is necessary that the organization be formed at once and the quarters secured before the work of construction has progressed too far on the building which will be occupied so that the rooms can be built especially to suit the fancies of those who will have in charge the designing of the club rooms.

## PHIL CLUB TO HAVE SMOKER

Members Will Hear Talks by Allen D. Sanford and O. L. Stribley Tonight.

The reorganized Phil club will have a smoker tonight at the rooms, corner of Eighth and Austin streets.

Under the enthusiasm of the newly elected president, R. S. Tolson, the club is taking on renewed life and activity and proposes to hold its place in the social life of the city. Recently members got together and decided to visit the visiting minister, and to hold the club together, and this is the first social gathering to be arranged. There will be a cigar, refreshments and talks by Allen D. Sanford, O. L. Stribley and others. The affair will commence at 8:30 o'clock.

## BOBBY AND BURNED

Commissioner Tolson the Paid Supervisor, continuing the City.

Officers included six hundred and seventy-seven dollars and fifty cents worth of bonds and coupons voted for various improvements in the county were canceled and destroyed by fire in the presence of the board of commissioners yesterday.

County Treasurer Lee Worthen presented the canceled and paid bonds and coupons, which under the law must be canceled and then destroyed in the presence of the commissioners.

The canceled bonds of the courthouse and jail series of \$1,000 each, totaling \$10,000, were burned, as were \$400 worth of Brancis river bridge bonds, \$400 worth of school district bonds, No. 46, \$1,117 worth of bonds on McGregor road district, \$2,000 worth of county courthouse, and jail bonds and \$125 worth of coupons on the same bonds.

The coupons and bonds were carefully checked and a seal was brought to the commissioners. Commissioner Smith explained the reason, while a witness swore the bills of paper go up into smoke and ashes.

FIRE STUDER CO.
